MONDAY.

For the information of two or three that they are off their box. The heat- avis. er is working all right.

The Jackson backs are carrying lots of passengers since they are making two trips a day.

All the bandy houses in this city are located in the Frst Ward. The other Wards would not tolerate a bandy honse. What's the matter with the First Ward's statesmen?

Some of our sportsmen are laying plans for a raid on Scott county rabbits in the near future. The aforesaid rabbits had better roost high.

The Normal students are beginning to count the days between now and Christmas. Those who live here are anxious for a rest, and the others want to go home and see the folks.

Rooms 5 and 7 at the Normal school have been furnished with new slate black-boards within the last few days, and Prof. McGhee is as proud as a boy with his first pair of pants.

Property owners are raising Cain about high insurance rates. They say that when the vote was taken on the Water Works question they were promised lower rates of insurance, and now that we have a first-class system of water works and a well equipped fire department instead of a reduction the same old rate is exacted, and in some cases a higher rate is -harged.

We learn that the steamer W. C. Bafebelor has changed her time of departure from St. Louis from Mon-River View hotel and he is making a days to Tuesdays and from Fridays to Saturdays. If this be true she will be here, hereafter on Sundays and Wednesdays.

August Kuellmer, of Jackson, is in therefore not accept. the city to-day. He came down with his wife to visit their daughter who is attending the Normal School.

Otto Holm has returned home from St. Louis and he will remain here till February. Those wishing his services should call on him early as he expects to move to St. Louis in February.

John St. Avit is building another house up on Jefferson Avenue.

M. J. Fagan sold his lot on South Frederick street to a man from the country and the man is building a nice cottage house on it.

Frank Canz, of St. Louis, is in the city. Frank is now manufacturing flavoring extracts on a large scale. He is at the head of a big establishment-in St. Louis and we are pleased to learn that he is doing a good cheaper than he got them in St. Louis and see what he has. business.

fined forty dollars and the costs in the receivership knock out seeme to be saulting a young girl. He got off cheap.
